HOW AM I ELIGIBLE FOR A BRICK?

Any child ranging from unborn to adulthood, who has one living parent when the child passed, may be remembered with one brick on the Children's Memorial Wall.

- Multiple names on one brick are allowed.
- The memorial bricks are designed to have letters only.
- A memorial brick consent proof will be sent to the parent for approval prior to etching.
- The completed request form and funds must be received by March 1st of each year.
- New bricks will be dedicated at the Annual Remembrance Ceremony at the Children's Memorial the Sunday prior to Memorial Day.

"I AM THE LIGHT" SCULPTURE

The Sculpture is a space for reflection, remembrance, meditation and prayer. The sun's light pours into the space during the day and by night the space is illuminated from below. The three arcs come together to form a circle of light providing tribute to all who have lost a child. The circle references the support found when coming together in the community and the light is a constant reminder of the eternity of life. The exterior represents the strength of the community when coming together at times of loss and tragedy. The interior was designed to walk through to embrace inner strength.

ALL ARE WELCOME

The Heartfelt Children's Memorial is open to the public 24 hours a day, seven days a week. Off-street parking is available. Enjoy the peace and tranquility of the memorial as you walk through the path from the Butterfly Garden to the Sculpture during the day or evening.

CHILDREN'S MEMORIAL

115 E. HILLCREST

SEWARD, NE 68434

Mission Statement:

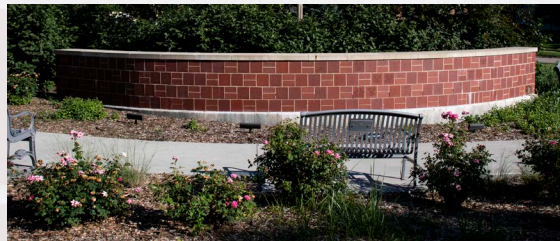

"Heartfelt provides a circle of support and hope as we remember and celebrate the lives of our children."

HEARTFELT

Heartfelt Connections Grief Support was established in 2002 to support parents whose child has died.

In 2012, the Heartfelt Children's Memorial was a dream to create a place where children would be remembered and honored as they left this earth too soon. Humble beginnings gave way to greater opportunities through generous donations and fundraisers. The Memorial was dedicated in the spring of 2015. Children from across the United States and other countries are honored and remembered.

The memorial is maintained by loving parents, friends and a Board of Directors.

Etched by Wegner Monument

MEMORIAL WALLS

Three brick walls are the centerpiece of the Children's Memorial. Each brick is etched on site in remembrance of a child. Here, every child's story is retold, remembered and never forgotten. For parents, families, and friends, who live away from the child's final resting place, the Memorial is an additional place to physically visit and remember. For many visitors, the Memorial creates a peaceful, spiritual, and comforting experience.

LIFETILE “FLY AWAY” WALL

The Lifetile wall was created via a heat process, the only one of its kind in the State of Nebraska. The art is infused into the back of glass bricks, creating a holographic movement as visitors walk in front of the mural. A young boy and girl run through a meadow of butterflies to the center of the wall. When they meet in the middle a burst of light occurs as a large hand descends from above and grasps a small hand in the middle of the light. Interpretation of the mural is left to the observer.
